

Ohio Travel Soccer League

Membership Policy

1. OHTSL will form a committee of 5 clubs and 2 board members annually. This allows our clubs to have a say in how the league grows and the area that it grows into, not just our board.
2. Any group, club or team(s) wanting to join OHTSL must do the following to be reviewed for acceptance.
 - Group must submit the following information:
 - Club Name
 - Location
 - Names and positions of board directors
 - Complete contact info
 - Provide a copy of By-Laws
 - Group must meet the following requirements:
 - Have no open balances for group or previous group in same area
 - Group must be at least 25% in size to current club in competing area
3. Prior to start of season planning a committee meeting will take place to review all/any request for acceptance into OHTSL
 - Committee will also give any current club in same area to be heard on any objections or concerns
 - Committee will then vote on acceptance of the new club/group/teams
 - If approved the request will be submitted to the OHTSL board of directors for final approval and notification to the requesting club/group/teams

Note: current community members as of spring 2021 are grandfathered into the OHTSL league.
