

WHAT DEFINES A GUEST PLAYER?

A guest player is defined as a player from outside your community. Teams are allowed a maximum of two (2) guest players. Please note that a US Club carded player cannot guest on an OYSAN carded team and an OYSAN carded player cannot guest on a US Club carded team. A carded player within your community playing on a different age/skill appropriate team is NOT considered to be a guest player.

*For US Club carded teams, log onto the US Club site (www.usclubsoccer.org), click RESOURCES, then scroll down/click on MEMBERS AREA, then click on FORMS/DOCUMENTS and click on PLAYER LOAN FORM (#R007). Make sure to follow the directions on that form and make sure to bring a copy of the form to team check in. Guest players can be handwritten on the bottom of the US Club roster you will hand in. There is a spot on the bottom that says GUEST PLAYERS. You MUST also bring the player card for the guest player with you.

*For OYSAN carded teams, if the guest player is already carded with Ohio North, you can add the guest player to your team's travel roster. You will also need to get the player card from the community or club that the player is carded with and bring it and the roster to team check in.

HOW DO YOU DETERMINE WHO ADVANCES TO THE CHAMPIONSHIP GAME IN THE EVENT OF A TIE?

Each team will be awarded three points for a win, one point for a tie, and no points for a loss. In the event of ties in the group standing, the following procedure will determine the group winner:

- a. Team with the most wins (if tied go to step b).
- b. Winner of the game played between the tied teams. (If three or more teams are tied for the group lead, Step 2 is by-passed, go to Step c). Tie breakers do not reset
- c. Highest number of total NET goals (goal differential). Maximum goal differential per game is four (4).
- d. Fewer total goals allowed (gross).
- e. Penalty kicks (FIFA laws of the game). If both teams advance, the Tournament Director will decide the opponents at the next level of play.
